## AIHT EDUCATION 2020 ANNUAL SECURITY REPORT

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act) requires that post-secondary schools participating in Title IV student financial aid programs publish a statistical report of crimes occurring on or near the institution's campus and provide information about security policies, procedures and programs. The intent of the report is to inform you of the extent of reported crimes occurring in the previous calendar year. Data is collected from a variety of sources including local law enforcement, internal departments such as Academics, Human Resources.

On March 7, 2013, President Obama signed a bill that strengthened and reauthorized the Violence Against Women Act (VAWA). Included in the bill was the Campus Sexual Violence Elimination Act (Campus SaVE), which amends the Jeanne Clery Act and affords additional rights to campus victims of sexual violence, dating violence, domestic violence, and stalking.

The report also includes data from two years prior to the most recent year. In the case of this particular report you will see data for calendar years 2017, 2018 and 2019. This report is prepared annually in compliance with the requirements of the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.

### **Committed to Safety**

AIHT Education is committed to fostering an environment in which all members of our campus community are safe, secure, and free from sexual misconduct of any form, including but not limited to sexual assault, dating violence, domestic violence, and stalking.

### **Crime Statistics - Reportable Areas**

The information is divided into groups based upon the type of crime being reported and the areas where the incident occurred. For example, the AIHT Education campus is divided as follows:

#### 1. On Campus

This includes both buildings, parking lots, and indoor facilities that are used for student activities

#### 2. Public Property

This area can be described as public streets that run through the campus, or form the border of campus. If portions of the bordering streets were not accessible because of a fence or other obstruction, then those portions would not be included in the annual report.
